# Announcements

**Welcome** to the Alpharetta Seventh-day Adventist Church! We're glad that you're here and have chosen to worship with us today. Our prayer is that you and your family will be blessed as we worship our Lord together. If you're visiting today, feel free to fill out a Connect Card.

Today Pastor Luke starts a new sermon series **FACES OF GRACE** about God's extraordinary love for imperfect people. The premise of the series is how the Bible is made up of individuals who were imperfect, yet God accomplishes so much through them by His Grace. It's to help us embrace being human beings in process because God gives us Grace. Hope to see you there—but 6 feet apart!

The Alpharetta Church is excited to present **Vespers on the Lawn** each Sabbath evening from 6-8 pm. In inclement weather, we'll move inside. Hanging out with friends, various programs, Bible games, devotionals/discussions, and testimonies are scheduled to bring the Sabbath to a close. Feel free to bring your own picnic supper, and chairs or blankets. See you there!

**We now have podcasts!** Please check out our new podcast page here: [www.alpharettasda.com/podcasts](http://www.alpharettasda.com/podcasts)

## VBS CANCELLED

It is with a sad heart that we are cancelling VBS this year. We only had 5 families sign up, and those families only wanted to do one night. We feel it is too much work and resources for 3 hours, at this time. Our plan is to do a back-to-school fair in September. We want to make it a community project-based program, and we may also look into doing something over the Christmas break. We thank you all from the bottom of our hearts for your willingness to stand up and share God this summer, and we will still be sharing God, but just not through VBS this year.

## Church Attendance Covid-19 Safety Guide

We're glad to be returning to worship together as a church family! Let's do so safely and mindful of others.

In general, please maintain 6 feet of social distancing from each other on the church property, inside the building and out. Please refrain from shaking hands, hugging, etc.

In the Sanctuary, rows that are unavailable for seating have been roped off. Obviously families can sit together on available rows, but please leave two seats between you and the next family on your row.

Masks are not required, but they are encouraged, as long as the CDC recommends them in public spaces.
