## ANNOUNCEMENTS

### Alpharetta Church Attendance Covid-19 Safety Guide

Please follow the below Safety Measures that were voted by the Alpharetta Church Board, and are in line with current State of Georgia and CDC recommendations to help prevent the spread of COVID-19. We're glad to be returning to worship together as a church family! Let's do so safely and mindful of others.

As always, our Adult Sabbath School class and Worship Service will be live streamed for your convenience.

If you're even remotely sick (including seasonal allergies), please stay home, and enjoy our live streamed service. Only return to the church facility when you're feeling completely well and symptom-free.

In general, please maintain 6 ft of social distancing from each other on the church property, inside the building and out. Please refrain from shaking hands, hugging, etc.

In the Sanctuary, rows that are unavailable for seating have been roped off. Obviously families can sit together on available rows, but please leave 2 seats between you and the next family on your row.

Masks are not required, but they are encouraged, as long as the CDC recommends them in public spaces.

Before leaving the restrooms, please wash your hands using soap and water. In addition, hand sanitizer is available in the Foyer, and you're encouraged to use it. You will also be safer if you make a habit of not touching your face.
