## Church Attendance Covid-19 Safety Guide

We're glad to be returning to worship together as a church family! Let's do so safely and mindful of others. In general, please maintain 6 feet of social distancing from each other on the church property, inside the building and out. Please refrain from shaking hands, hugging, etc.

In the Sanctuary, rows that are unavailable for seating have been roped off. Obviously families can sit together on available rows, but please leave two seats between you and the next family on your row.

Masks or face coverings are encouraged, as long as the CDC recommends them in public spaces.

Before leaving the restrooms, please wash your hands using soap and water. In addition, hand sanitizer is available in the Foyer, and you're encouraged to use it. You will also be safer if you make a habit of not touching your face.
